ARE SET TO PRINT **AT ACTUAL SIZE.**

100%

This digital tape measure is for use as a guide only and it is not a guarantee of fit.

Printing Instructions

This digital tape measure is for use as a guide only. Printer settings may affect the ruler's accuracy. This page should be printed on standard 8 1/2 X 11 paper.

To assemble, cut along dotted lines and line up and tape the 2 units of measure together. If you have a straight ruler, compare the unit of measure after printing to ensure better accuracy.

Please feel free to contact us with any questions about measuring your calves.
